

WHAT COMES NEXT?

Thank you for attending the Santa Rosa Plain Groundwater Sustainability Agency's Funding Options Community Workshop!

If you are interested in keeping up to date on groundwater management in the Santa Rosa Plain, there are several good ways to stay informed and engaged:

Quick Actions

1. Submit your insights, questions, and general comments through our **contact form** at sonomacountygroundwater.org/contact. Your message will be sent to the person best equipped to help!
2. Sign up to **receive monthly updates** about GSA activities and groundwater information at sonomacountygroundwater.org/email. You can read past updates there, too!
3. Put future **GSA meetings** in your calendar so you can attend and take advantage of the public comment time, when you can speak directly to the board or advisory committee!

Keep an eye out!

- Watch our website for updates on local groundwater activities, information about the Santa Rosa Plain basin, groundwater news, and other helpful resources.
- Another public meeting, workshop, or hearing will be scheduled to discuss groundwater rates and fees in the next several months - check our website and local papers, or sign up for our monthly email update to be the first to know!
